Dear Sir:

Subject: Contract EQ-1806  
Subcontract G-43497

Attached are three copies each of Change Notices 6 and 7 to the subject subcontract. You will note from these that they have to do with closing out the purchase order, and I assume, therefore, you will have no objection to our issuing them.

I doubt that your regular approval letter is necessary. However, if you wish to forward same to make the file complete, please send it to me as usual.
